**Caution:**

If sand is used for sandblasting, please see caution on PAK-MIX® sandblasting specification sheet.

Harmful if inhaled. This product contains Free Silica (CAS# 14808-60-7). When Free Silica is inhaled, it may cause delayed respiratory and other health problems. Free Silica has been listed by I.A.R.C. as a possible carcinogen based upon laboratory animal test data and limited evidence of human carcinogenicity. Avoid breathing cement

dust. Keep the bag closed when not in use, and use only in well-ventilated areas. Follow OSHA Safety and Health Standards for crystalline silica. If the product must be used in an enclosed area, use a NIOSH approved dust respirator.

Material safety data sheet available upon request.

**Caution:**

CALIFORNIA PROPOSITION 65 WARNING

This product contains crystalline silica (CAS #14808-60-7) which is "known to the State of California to cause cancer and other substances which are known to the State of California to cause cancer, birth defects and reproductive harm."
